

Dr Anthony Zehetner

Advances in Understanding & Treating ADHD

When: Tuesday 27 February 2018

Where: Newcastle University Room MS202 University Dr Callaghan NSW 2308

Time: 7.30pm - 9.00pm (registration from 7.15pm)

Cost: PSA & NHVPA Members: Free Non-Members: \$80

This is a joint lecture between PSA & Newcastle Hunter Valley Pharmacists Association (NHVPA)

Attention-deficit Hyperactivity Disorder (ADHD) affects 8% of Australian schoolchildren and half are medicated. Pharmacists provide a valuable service to patients and families with ADHD. In September 2015, lisdexamfetamine (Vyvanse), a novel ADHD medication, was PBS-listed. This session provides an overview of what ADHD is, its subtypes and comorbidities, how ADHD is diagnosed and changes over time and the evidence of therapeutic outcomes including psychostimulant medication, atomoxetine and complementary therapies. Dr Zehetner will also provide an overview of the NSW Stimulant Subcommittee, of which he has been a member since 2012.

Please be aware that a minimum number of registrants must be achieved for each PSA event. It is possible therefore that an event may not proceed if the minimum number is not achieved. Registrants will be advised in due time and registration fees refunded if an event does not proceed. **CANCELLATIONS:** Please note that cancellations received up to five (5) working days before the seminar are refundable, minus a \$25 (inclusive of GST) registration service charge. After that cancellations are subject to the entire seminar fee. You may substitute for an alternative CPD event up to the equivalent registration fee, within the same calendar year. Please note that if you do not cancel and do not attend you are still subject to the entire fee. The Pharmaceutical Society of Australia (PSA) has a database of member's names, addresses and other relevant information to membership of the PSA. This data is accessed by PSA to mail information including publications and member services. It is made available to related organisations with which PSA has formed a relationship to provide member services and benefits. This includes mailing houses that provide these services. Members may request personal information not be passed onto a third party; however this will result in the member being unable to receive some Society mailing. A member may request a copy of personal information held by the Society. **PRIVACY:** The Pharmaceutical Society of Australia Ltd. respects your privacy. Your personal information will be used solely for the provision of Pharmaceutical Society of Australia Ltd. services to you. At times this may involve disclosing relevant information to a business partner in order to provide you with the full range of member benefits. Visit our privacy statement at www.psa.org.au/site/privacy.
