

Bridging the Gap - Diabetes

Integrating patient-centred care

When: Tuesday 4 July 2017

Where: University of Newcastle Callaghan - Lecture Room MS202

Time: 7:00pm - 9:00pm (sign-in from 6:45pm)

Cost: Free for PSA, SHPA and NHVPA members; \$80 for non-members

RSVP: 3 days prior to workshop. SHPA & NHVPA members please contact NSW PSA office to register.

The Bridging the Gap program in July and August will focus on type 2 diabetes. The number of people with type 2 diabetes is growing in Australia, most likely the result of rising overweight rates, lifestyle and dietary changes and an ageing population. Pharmacists have a vital role in diabetes management and are well placed to discuss patient self-management, monitoring, lifestyle modifications and medication management.

This workshop will review the principles used in glycaemic management according to the Australian Diabetes Society and Royal Australian College of General Practitioners (RACGP) guidelines. The workshop will help pharmacist to identify the appropriate patient lifestyle modifications to optimise disease management and apply appropriate counselling strategies to improve the patient's understanding of diabetes in order to improve and optimise health outcomes.

This topic will be a joint presentation with NHVPA and will feature a specialist guest speaker in the area of Diabetes.

Facilitator: Dr Kirsten Murray and Carly Kippist

Please be aware that a minimum number of registrants must be achieved for each PSA event. It is possible therefore that an event may not proceed if the minimum number is not achieved. Registrants will be advised in due time and registration fees refunded if an event does not proceed. **CANCELLATIONS:** Please note that cancellations received up to five (5) working days before the seminar are refundable, minus a \$25 (inclusive of GST) registration service charge. After that cancellations are subject to the entire seminar fee. You may substitute for an alternative CPD event up to the equivalent registration fee, within the same calendar year. Please note that if you do not cancel and do not attend you are still subject to the entire fee. The Pharmaceutical Society of Australia (PSA) has a database of member's names, addresses and other relevant information to membership of the PSA. This data is accessed by PSA to mail information including publications and member services. It is made available to related organisations with which PSA has formed a relationship to provide member services and benefits. This includes mailing houses that provide these services. Members may request personal information not be passed onto a third party; however this will result in the member being unable to receive some Society mailing. A member may request a copy of personal information held by the Society. **PRIVACY:** The Pharmaceutical Society of Australia Ltd. respects your privacy. Your personal information will be used solely for the provision of Pharmaceutical Society of Australia Ltd. services to you. At times this may involve disclosing relevant information to a business partner in order to provide you with the full range of member benefits. Visit our privacy statement at www.psa.org.au/site/privacy.
